Re: Sunnyside Subsidence Survey
NOV Abatement Deadline Extension
Permit No. ACT/007/007

Dear Mr. ~~Whitehead~~ ^{John} Whitehead:

Kaiser Coal Corporation requests that the Division consider extending the abatement deadline for NOV 88-19-2-1 from August 12th to September 16th.

Kaiser has initiated the subsidence survey in Bear and Whitmore Canyons during June. The salary work force reductions in July that resulted from Kaiser's Chapter 11 status have not allowed this work to be completed. With one person responsible for the Utah operations additional time is required to evaluate the work required for abatement and to complete the survey.

Please let me know if this request is acceptable to the Division. Thank you for consideration in this matter.

Sincerely,

Bill
