Re: Permit Change
ACT/007/007
Sunnyside Mines

Dear Mr. Whitehead:

In response to your request, the legal description of the tract leased to Sunnyside Power Corporation is attached. You will note that my April 25 letter was in error in that the acreage involved is 75.7 acres, not 72.5 acres. This is the total acres which should be removed from the permit.

Should you have any further questions, please give me a call.

Sincerely,

Carl W. Winters
Manager of Engineering
