Dear Mr. Balaz:

Re: Final Approval, Amendment, Incidental Boundary Change,  
Coarse Refuse Toe Pond, Kaiser Coal Corporation, Sunnyside  
Mines, ACT/007/007-88A, Folder No. 3, Carbon County, Utah

The Division has reviewed your submittal received September 19, 1988. The plans were reviewed by Jim Fricke and Brent Stettler of the Division's technical staff. The plans as submitted are approved with the following requirement. Where mulch cannot be crimped in place with tracked equipment, a liquid organic tackifier must be used.

Please assure that the reclamation is implemented by Nov. 18, 1988. Thank you for your cooperation in this matter. If you have any questions, please call Brent Stettler, Jim Fricke or me.

Sincerely,

A handwritten signature in cursive script that reads "John J. Whitehead".
