Dear Mr. *Ed* Barton:

Re: Transfer of Permit and Posting of Reclamation Surety for a Portion of the Sunnyside Mine Permit Area, ACT/007/007, Folder 2, Carbon County, Utah

This letter is a follow-up on today's phone conversation concerning the permit for Environmental Power Corporation's (EPC) above-referenced property. Thank you for your time and effort in revising the permit as a stand-alone document. I have informed John Whitehead that you will send the revised permit to the Division on September 2, 1988. The staff will review it and promptly contact you.

Again, I appreciate your work on the permit, and look forward to the revised copy. Please call if you have any questions.

Best regards,

Dianne
