DIVISION OF
OIL, GAS & MINING

Dear Barbara:

I want to thank you for your help in making the start-up of the Sunnyside Mine a success. I appreciate your time and effort which resulted in the employment of 118 men and women in Carbon County. The mine provides a low sulfur, high quality product to Geneva Steel and Geneva's ongoing commitment will insure the reclamation of the existing mines and a future for Sunnyside, Utah.

Thanks again for the successful effort to date.

Regards,

David B. Corman
