DIVISION OF
OIL, GAS & MINING

Dear Mr. Balaz:

Pursuant to our conversations and our understanding of those discussions, Sunnyside City Council met at our regular meeting on June 22, 1989, and Sunnyside City is willing to accept the following buildings in the event Sunnyside Reclamation and Salvage should go into final reclamation. The buildings are: Bath house, Shop, Main Office and Warehouse, Engineering Building, Training Building, Ambulance Garage, Auxillary Warehouse and Two Sub-Stations.

If you have any questions regarding the above, please do not hesitate to contact me.

Sincerely,

CITY OF SUNNYSIDE
