Dear Mr. Helfrich:

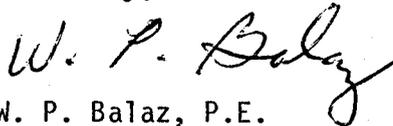

Re: Extension of NOV N88-30-2-1

Per your request, an extension is requested from April 4 to April 21 for completion of the grouting on the inlet and spillway.

SRS would like to again point out that this work was completed per commitments made by DOGM personnel (see my letter of June 23, 1989, to Bill Malencik).

Please feel free to call if you have any questions.

Sincerely,

W. P. Balaz, P.E.
Mine Manager
