Dear Pamela:

Re: Revised SRS Chapter III Text
Sunnyside Mines - ACT/007/007

The revised Chapter III text that we discussed in our meeting on June 1, 1989, is enclosed. Because of the numerous changes, the full text, along with the figures and tables, is being submitted. A discussion of the revisions and comments is also included.

We appreciate your speedy review of the bond and hope that the revised text satisfies the conditions to get the bond in place.

We are currently working with the city of Sunnyside to get a letter to you for acceptance of the buildings that are to remain if acceptance had not already been obtained by Kaiser at the time of the original permit.

If there are any other items to complete, please let me know.

Sincerely,

W. P. Balaz, P.E.
Mine Manager
