Dear Pamela:

Re: Sunnyside Coal Company, *File #2* ACT 007/007, Permit Renewal

As we discussed in our phone conversation this past Friday afternoon, please find enclosed the updated legal information to insert in Chapter II of the existing approved permit application. Sunnyside Coal will maintain the existing liability insurance and performance bond for the permit renewal period. The newspaper notice which is part of the updated legal information will be published at your direction.

My understanding is that the above should meet the requirements for permit renewal for a period of time to allow your review of the recently submitted Permit Renewal Application without a lapse in permit. Also, NOV 90-20-3-1 issued on 9/21/90 will be terminated.

If you have any questions, please give me a call.

Sincerely,

Gary E. Gray
Chief Engineer
