Dear Mr. Helfrich:

Re: Proposed Assessment For State Violation No. 90-20-3-1

On October 9, 1990, Sunnyside Coal Company submitted an application for a five-year permit renewal; therefore, the company requests that NOV No. 90-20-3-1 be terminated and that good faith points for normal compliance be applied to the proposed assessment and resubmitted to Sunnyside Coal Company for review.

In the event that the Division does not assign good faith points to the proposed assessment, Sunnyside Coal Company requests an assessment conference be set up to discuss the issues.

Your help in providing a timely response is greatly appreciated.

Sincerely,

Karl R. Houskeeper
