Dear Mr. Balaz:

Re: **Company Name Change, Sunnyside Reclamation and Salvage, Inc.,
Sunnyside Mine, ACT/007/007, Folder #2, Carbon County, Utah**

The Division was notified of the company name change from Sunnyside Reclamation and Salvage, Inc. (SRS) to Sunnyside Coal Company by letter dated May 24, 1990. The company name changes throughout the permit will be acceptable when submitted with the Five-Year Permit Renewal Application in July, 1990. However, the applicant must submit verification now to the Division that the "Identification of Interests" (R614-301-112) is identical for Sunnyside Coal Company and SRS, Inc.

Upon receipt and approval of that information, the company name change will be effective for the Division.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".

Pamela Grubaugh-Littig
Permit Supervisor
