Dear Mr. *James* Cooper:

Re: Certificate of Deposit No. 17288, Sunnyside Reclamation and Salvage, Inc.,
Sunnyside Mines, AT/007/007, Folder #4, Carbon County, Utah

Certificate of Deposit No. 17288 in the amount of \$75,000 (copy attached) will mature February 27, 1990. This Certificate of Deposit was issued to Sunnyside Reclamation and Salvage, Inc., but should have been issued to the state of Utah, Division of Oil, Gas and Mining (DIVISION) and the Office of Surface Mining, Reclamation and Enforcement (OSMRE) pursuant to the "Agreement and Release of Reclamation Contract" dated August 28, 1989.

The \$75,000 Certificate of Deposit plus accrued interest should be reissued upon maturity to the DIVISION and OSMRE. Please send me a copy of the reissued Certificate of Deposit. Thank you.

Best regards,

Dianne

Dear Mr. Coleman:

Re: Certificate of Deposit No. 17288, Sunnyside Reclamation and Salvage, Inc., Sunnyside Mines, ACT/007/007, Carbon County, Utah

Certificate of Deposit No. 17288 will mature on February 27, 1990. When this certificate is reissued, it should be reissued to the State of Utah, Division of Oil, Gas and Mining and the Office of Surface Mining, Reclamation and Enforcement jointly, rather than to Sunnyside Reclamation and Salvage, Inc. This is pursuant to the "Agreement and Release of Reclamation Contract" dated August 28, 1989. That agreement provides that all interest is to accrue to the certificate of deposit and be reinvested as part of the Division/Office of Surface Mining account. The interest should not be distributed to Sunnyside Reclamation and Salvage.

I have notified Mr. James T. Cooper, President of Sunnyside Reclamation and Salvage, Inc. of this fact by letter dated February 16, 1990 (a copy of this letter is attached for your information). If you have any questions or require further information, please contact me. Thank you for your assistance in this matter.

Best regards,

Dianne R. Nielson
Director
