Dear Pam:

Re: Spillway Implementation, Sunnyside Coal Company,  
Sunnyside Mine, ACT/007/007-DO-91B,  
Folder #2, Carbon County, Utah

In response to your letter of December 4, 1992, concerning the above caption, we completed rough-grade construction on the 004 Clear Water Pond Spillway on December 3. Due to the fact that frozen ground was encountered, Sunnyside Coal Company requests a winter construction delay to appropriately complete the project.

Your understanding and approval will be appreciated.

Sincerely,

Pete Hess  
Environmental Coordinator
