Dear Ms. Grubaugh-Littig,

In our phone conversation yesterday, you indicated that you wished us to send all correspondence to your department via you, or our correspondence would not get scheduled into your work loads. In that light, I am sending you a copy of all the letters I have sent to UDOGM in the last month, pertaining to the Whitmore Canyon project, so that you may proceed with the drilling permit process.

Sincerely yours,

David Salas Wheeler

Called David Wheeler

It is not that it's "NOT"
scheduled, it is rather
"Delayed". He said he
would read info through me
henceforth. pgl
