Dear Mr. Semborski:

Re: Exploration Plan for Proposed Monitoring Wells in Whitmore Canyon, Sunnyside Coal Company, Sunnyside Mine, ACT/007/007-92H, Folder #2, and Exploration Folder for BXG, Carbon County, Utah

Enclosed please find the technical review from Susan White that still has an outstanding deficiency. All of the other deficiencies have been adequately addressed. In submitting the final response, please incorporate all of the responses into the exploration plan.

If you have any questions, please call me.

Sincerely,
