Dear Mr. Fielder:

Re: Alternative Sediment Control Areas, Sunnyside Coal Company, Sunnyside Mine,
ACT/007/007-92B, Folder #2, Carbon County, Utah

The submittal dated April 23, 1992, requesting two additional areas be added to the Alternative Sediment Control Areas, is denied. A discussion of why these areas would be added to the ASCA areas rather than report to a pond is a critical fact missing in the proposal. Please resubmit this proposal with complete information to be reviewed. If you have any questions, please call me.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read "Pamela Grubaugh-Littig".
