Dear Pam:

Re: Permit Change to Commit SCC to Monitoring and
Maintenance of BTCA Sediment Structures

As per your letter of 11/3/93, enclosed please find an Application for Permit Change which will add verbiage to SCC's current operating PAP that commits SCC to monitor and maintain BTCA sediment control structures.

I trust that you will find the information contained in this Application for Permit Change in order. Please call if you have any questions or concerns.

Sincerely,

Charles D. Rempes
Environmental Coordinator
