Dear Pam:

Re: Request for Extension for Compliance with NOV #N93-32-5-2,  
1 of 2 - Removal of Acid-forming Materials from the Old  
Coarse Refuse Haul Road.

As per your conversation with Gary Gray of 10/21/93, Sunnyside Coal Company would like to request an extension of the above NOV from 10/21/93 to 11/5/93 in order to allow time for engineering considerations and contractor selection and mobilization.

We appreciate your assistance in this matter and trust that this request will meet with your approval. Please contact me if there are any problems or concerns.

Sincerely,

Charles D. Rempes  
Environmental Coordinator
