Dear Pam:

Re: Extension Request for Abatement of NOV N93-40-5-9, Violation 8 of 9,  
Pasture Pond Outlet Ditch

Sunnyside Coal Company requests an extension of five days from September 27, 1993, until October 2, 1993. SCC Engineering is presently awaiting the delivery of a new map from Eckhoff, Watson & Praetor Engineering (we anticipate delivery on 9/28/93) that will provide significant information necessary to abate Part 1 of this violation.

Sunnyside Coal Company also requests that Parts 2 and 3 be similarly extended; i.e., Part 2 until October 16 and Part 3 until October 30, 1993.

Your approval of this request will be appreciated. Please call if you have any questions. Thanks you.

Sincerely,

Peter H. Hess  
Environmental Coordinator
