**IMPORTANT NOTICE**

July 5, 1994

Dear Customer:

Enclosed is your trust statement for the period ending June 30, 1994.

On July 1, 1994 we converted all trust accounts to a new state-of-the-art trust accounting system. This new system will give us greater flexibility to provide statements that will be easier for our customers to understand. Your next statement will be on the new format.

Because of the conversion to the new computer system, the statement you receive at the end of this year will only contain information for the last six months of 1994. For this reason, it is important that you save the enclosed statement which reports all account activity for the first six months of this calendar year. The tax information that many trust accounts will receive for the taxable year 1994 will include all of the necessary information for the entire year.

We are very pleased to be able to improve our computer system and keep pace with the many technological advances in the trust and investment management industry.

We are grateful for the opportunity we have to serve you and hope that, if you have any questions or comments, you will feel free to give us a call.

Very truly yours,

A handwritten signature in cursive script that reads "Peter K. Ellison".

Executive Vice President &  
Senior Trust Officer
