RE: Purchase of Photos and Data Disks for Sunnyside Coal Operations.

Thank you for your quotation by fax. A copy of the purchase order in the amount of \$250.00 for the requested materials is enclosed with this fax and a hard copy will follow by mail. Please bill to the attention of JoAnn Garcia, at the address stamped on the purchase order.

My understanding is that the information to be provided to the Division is copies of the air photos and AutoCad drawing files for coverage for the Sunnyside Coal Mine and all adjacent areas which were part of your contract with Sunnyside.

Please submit the photos and disks by Federal Express or Express Mail at your earliest convenience. Should you have any questions or problems, please call.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Randall Harden'.

J. Randall Harden, P.E.
Sr. Reclamation Engineer
