RE: Sunnyside Inspection Frequency, Sunnyside Mine, Sunnyside Coal Company (Debtor-in-Possession), ACT/007/007, Folder #5, Carbon County, Utah

As of January 1, 1996, Joe Helfrich, Compliance Supervisor, decided to change the frequency of inspections at the Sunnyside Mine to an "as-needed" basis, probably one complete per quarter. This mine permanently closed in 1994. The permittee has filed Chapter 7 in Bankruptcy Court, Ken Rushton is the Trustee.
