RE: SMCRA Permit Application for Eureka Energy Company's  
Sage Point-Dugout Canyon Project

Dear Jim:

Eureka proposes that we make our presentation of the Permit Application to your staff on January 23, 1981 in Salt Lake City, as we discussed in our recent telephone conversation. Please let me know if that date is suitable to the Division.

Thus far I have not contacted any other agencies regarding the presentation. I would appreciate your inviting any interested agencies to our meeting. Please let me know if I can be of any assistance in arranging the meeting. Thank you.

Very truly yours,
