OIL, GAS & MINING

Dear Ms. Wright:

Unfortunately due to other priorities and travel restrictions, Bruce Louthan will be unable to attend the meeting with Eureka Energy, OSM, AERC, the Division of State History and your office on Friday, March 14, 1980.

We are quite concerned about developing technically adequate and realistic cultural stipulations and procedures for future coal leasing and have expressed our concerns to Mr. Richard Fike of the BLM Utah State Office who will be present. It is hoped that this meeting will serve to resolve the current question on the Sage Point-Dugout Ranch lease as well as set some appropriate future directions.

We appreciate your interest in obtaining our input on this matter and look forward to working with you and your agency in the future.

Sincerely yours,

Sally Klaus
