Memo to Coal File:

Re: Wildlife Flyover
Eureka Energy Company
Sage Point-Dugout Mine
ACT/007/009
Carbon County, Utah

On April 8, 1980 Mary Ann Wright of the Division, Larry Wilson of the Division of Wildlife Resources and Chuck Morris of the Division of Wildlife Resources, along with Mary Boucek of E.R.T. Consultants flew transects along the Bookcliffs area over the deer heard unit 27 B winter range in order to assess the ~~the~~ relative abundance, density and distribution of the deer in this area. For the results of this survey please refer to the memo prepared by Mary Boucek of E.R.T. This memo is enclosed in Eureka Energy's file.
