Re: Sage Point-Dugout Canyon Project

Dear Jim:

Pursuant to the Determination of Completeness Review of Eureka's mining permit application, enclosed are six sets of construction drawings for the Fish Creek and Dugout Creek roads. Also included is the State of Utah's Standard Specifications for Road and Bridge construction, with Addendum No. 1. Both roads will be bid and built according to these drawings and specifications. Eureka anticipates starting road construction activities around June 1, 1982. Please approve these items by end of March 1982, in order to allow us to go out for bid.

Please contact me if you should have any questions or if you have any problems with my proposed schedule.

Sincerely,

Nicolas K. Temnikov
Regulatory Coordinator
