Re: Addendum
Sage Point-Dugout Canyon Mines

Dear Mr. Smith:

As you are aware, Eureka Energy Company submitted earlier this month an addendum to the SMCRA application for a permit to construct and operate underground coal mining facilities to be located in Carbon County, Utah. We promised to furnish one item by this month. Please find enclosed six copies of drawing No. D03-0171 showing a plan and profile of the existing diversion to Anderson Reservoir. Under separate cover, seven copies of the drawing are being submitted to the Regional Director, Denver Region, Office of Surface Mining, U. S. Department of the Interior.

Sincerely,

NICOLAS K. TEMNIKOV
Regulatory Coordinator
