Dear Mr. Feight:

Attn. Mr. Jim Smith and Staff

Eureka Energy Company and its staff would like to extend our appreciation for the efforts that Mr. Smith has made on our behalf in arranging for an informational presentation to all state and federal agencies involved in reviewing our permit application (1/23/81).

We would also like to thank the division staff for their many hours of help in pre-submittal conferences and discussions. We are sure that these efforts have greatly improved our ability to comply with the state and federal regulations pertaining to obtaining a coal mining permit, and hope that these efforts will make our permit application easier for your staff to review.

Thanks again!

Sincerely yours,

Paul
