RE: Determination of Completeness
Sage Point-Dugout Canyon Project
ACT/007/009
Carbon County, Utah

Dear Nick:

- Attached is a copy of the Determination of Completeness Review.
- Please note areas of technical concern have been noted by one asterisk. These items may be areas of stipulation during the technical review. The items with three asterisks are those holding up the Division's completeness finding. The Division forwarded a copy of the attached review to the Office of Surface Mining on October 9, 1981. Shirley Lindsay of the Office of Surface Mining will respond this week.

Sincerely,

LELAND C. SPENCER
RECLAMATION ENGINEER
