Subject: Sage Point-Dugout Canyon Project

Gentlemen:

Eureka Energy Company (Eureka) presently owns coal leases at Sage Point-Dugout Canyon in Carbon County, Utah. It has acquired surface lands and water rights to be used in development of these leases and is pursuing permits and licenses for the properties.

Recently Eureka signed an agreement with Sunoco Energy Development Company (Sunedco) for purchase by Sunedco of all of Eureka's properties in Carbon County. It is expected that transfer of the leases and other properties will occur in the course of the next few months.

Very truly yours,
