Re: Blazon Co. Exploration
Blazon drill holes 1 and 2

Dear Sandy:

Reclamation activities have been completed on Blazon Drill Holes 1 and 2. Each hole was properly plugged with cement and then the drill pads were recontoured and seeded with an approved seed mix.

I hope you will find the work satisfactory and terminate NOV# 82-2-8-2 accordingly.

Sincerely,

Billy H. Green, Vice President
SANDERS EXPLORATION, LIMITED
