RE: BLAZON #3 DRILL HOLE CEP/007/009

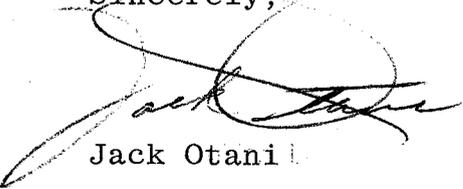

Dear Mr. Young:

At the request of Sanders Exploration, Limited, I am sending you this letter regarding reclamation activities of Blazon #3 drill hole.

As the legal landowner of the disturbed land (constructed road and drill site), I am requesting that Sanders Exploration Limited, be relieved of all reclamation responsibilities and subsequent responsibilities and liabilities connected with Blazon #3 drill hole. I have been directly responsible for construction of this access road and drill site and feel that additional work in the area would prove unrepairable and therefore at my discretion will leave the road as is.

Shall any further information be required, please contact Bill Green or Scott Williams at Sanders Exploration, Limited, P.O. Box 1329, Park City, Utah, 84060 - and they will contact me.

Sincerely,

Jack Otani
