RE: ACT/007/009

Dear Mr. Smith:

During Mr. Ed Hooper's review of our January 18, 1983 submittal of responses to OSM's December 9, 1982 letter, he found an error on page II-218, Section IV-C Soil Resources. The attached page has been corrected and is submitted to replace page II-218 of the application.

If you have questions concerning this matter, please call me at the above telephone number.

Very truly yours,

Charles Durrett
Environmental Coordinator
