RE: NOV. #N83-2-9-1  
Blazon Exploration  
CEP/007/009  
Carbon County, Utah

Dear Mr. Green:

Enclosed is the Notice of Violation #N83-2-9-1 that we discussed over the phone yesterday. A one week abatement time is allowed for reclamation. If, as you indicated, the landowner (Sophie Fotes, et. al.) requests that you leave the drill site and access road unreclaimed, written verification of the request will abate this NOV. If you determine that more time is necessary for adequate completion of the required reclamation work, please notify the Division well before the abatement deadline.

Sincerely,

SANDY PRUITT
