RE: Updated Information on Sunedco
Sage Point/Dugout Canyon Mine
ACT/007/009 File No. 2
Carbon County, Utah

Dear Sirs:

This office recently received updated information pertaining to Sun Energy Development Company's (Sunedco) Sage Point-Dugout Mining and Reclamation Plan. This mine was formerly owned by Eureka Energy Company. The submittal includes a completely new Legal, Financial, and Compliance Section showing Sunedco's ownership, a brief narrative on water supply well reclamation, and new information on topsoil handling and storage.

This information is available for review in the Division's office or a copy of the complete package can be sent to your Division if requested. Please contact me if you are interested in reviewing or commenting on any of the submitted information.

Sincerely,

Susan C. Linner
Reclamation Biologist
