RE: Reclamation of Blazon # 3 Drill Site and Access  
Road, Carbon County, Utah, CEP/007/009.

Dear Mr. Hedberg:

Please be informed of the following reclamation work accomplished on the Blazon # 3 drill site and access road.

Mr. Jack Otani has reclaimed the Blazon # 3 drill site and access road. The road has been graded to as near original contour as possible, as previously outlined in the letter to Sue Linner dated September 7, 1984 and hand delivered to her office. In lieu of a straw mulch, the seeds were broadcast and worked into the soil by the equipment on site. This will assist in a greater percentage of germination and decrease in loss to wildlife.

It is hoped that all reclamation will be satisfactory to the Division.

Please return the escrowed fine immediately, as agreed by Ms. Barbara Roberts to be used for reclamation purposes to: Mr. Lon Williams, Pleasant Valley Coal Partners, 370 East South Temple, #100, Salt Lake City, Utah, 84111. Thank you for your prompt attention to this matter.

Sincerely,
