RE: Sunedco, Sage Point-Dugout, ACT/007/009, Carbon County, Utah

A complete inspection was conducted at the above mentioned mine site on December 13, 1984 by Barton Kale of the Division. The inspector stopped by the mine office in Price and could not locate any mine personnel. The road to the mine was snow packed and no traffic was evident. The inspector turned around approximately 4 miles after the Dugout Canyon turnoff due to snow depth. This mine has not started any construction to the knowledge of the Division although they have been granted a permit.
