## Memorandum

To: Moab District Manager, BLM

Attn: James Travis

From: Chief, Mining Law and Solid Minerals  
BLM-SO, Salt Lake City, Utah

Subject: Sunedco Coal Company, Sage Point-  
Dugout Canyon Mines, Mine Plan

The subject coal mine plan was approved by the Assistant Secretary for Land and Minerals Management on April 26, 1984. The OSM permit number UT-0041 was issued and the Division of Oil, Gas, and Mining issued a permit number ACT/007/009-folder #2 and #4 effective September 10, 1984.

On January 7, 1985, Jeff Clawson from BLM, Price River Resource Area (PRRA) checked the Resource Recovery and Protection Plan (R<sub>2</sub>P<sub>2</sub>) from their office against a subject plan on file in the BLM State Office. Mr. Clawson received from the BLM State Office a complete amended copy of the subject mine plan, which was delivered to the BLM, PRRA office in Price, Utah. The R<sub>2</sub>P<sub>2</sub> part of this plan is compatible with the R<sub>2</sub>P<sub>2</sub> part of the approved plan. The following is a list of documents given to Mr. Clawson:

Ten Volumes - Dated December 8, 1980, titled SMCRA permit application. Sage Point Dugout Canyon Project - Eureka Energy Company. (Amended)

One Volume - Dated August 7, 1981, titled - Addendum - SMCRA Permit Application, Sage Point - Dugout Canyon Project, Eureka Energy Company (Amended)

One Volume - Correspondence file for subject mine plan.
