RE: PRO/007/009  
Permit Relinquishment

Dear Mr. Braxton:

Sunoco Energy Development Co. has been moved by a disappointing coal market to formally request that the subject mine permit for Sage Point-Dugout Canyon be dropped. To accomplish this task and move toward bond release, I request a meeting early in 1987 to discuss reclamation issues and set schedules. Mr. Tom Paluso with Soldier Creek Coal Co. (801) 637-6360 will coordinate SUNEDCO's effort and will serve as our contact person for the work to be done.

Very truly yours,

Ian G. Northern  
Vice President

IGN/ljm

cc: Tom Paluso

Sue: Would you schedule  
a meeting on this with Paluso.  
Ask him if Northern needs to be invited  
or not.
