Dear Mr. Northern:

Re: Permit Relinquishment, Sunedco Coal Company, Sage Point-Dugout
Canyon Mine, PRO/007/009, Folder No. 2, Carbon County, Utah

The Division has reviewed your request for relinquishment of the Sage Point-Dugout Canyon mine permit, and has determined that there are no problems with this action from the state's point of view. We are in the process of getting concurrence from the federal agencies involved.

When all interested agencies have concurred the bond will be released. The Mining and Reclamation Plan and all associated correspondence will be archived so that it will be available should future interest in coal mining in the area develop.

Please contact me or Susan Linner if we can be of assistance in the interim.

Sincerely,

A handwritten signature in cursive script that reads "L.P. Braxton".
