RE: Termination of NOV N85-6-12-1

Dear Ms. Semborski:

I have enclosed the termination notice for violation N85-6-12-1. The last field inspection showed the abatement work to be of a satisfactory nature as well as meeting the minimum requirements to terminate the citation.

The expedient manner in which U. S. Fuel Company resolved this problem is very much appreciated. If you have any questions or comments, please don't hesitate to contact me or Joe Helfrich of the Division.

Sincerely,

A handwritten signature in cursive script that reads "Barton D. Kale".
