Dear Mr. Eccli:

Re: Underground Mining Change, Hiawatha Mines Complex,
ACT/007/011, Folder No. 2 and 3, Carbon County, Utah

The Division is in receipt of an approval letter for an underground mining change at the King No. 6 Mine from the Bureau of Land Management.

In order to keep a current Mining and Reclamation Plan (MRP) on file with the Division and the Office of Surface Mining, U. S. Fuel must submit fourteen (14) copies of all updated maps. Please submit the maps to Lowell Braxton, Administrator, Mineral Resource Development and Reclamation Program. In your cover letter, please indicate which existing maps the new maps are to replace.

Feel free to contact me should you have questions.

Sincerely,

A handwritten signature in cursive script that reads "D. Wayne Hedberg".
