Dear Ms. Roberts;

United States Fuel Company would like to request an assessment conference on violation N86-9-13-1 to review the proposed assessment. As there was a mix up in the paperwork sent from your office we did not receive the initial assessment for this violation until January 29, 1987. Our filing however is being made within fifteen days of the receipt of the assessment.

Please contact us should you have any questions concerning our request.

Sincerely,

Jean Semborski
Environmental Coordinator
