

ACT/007/011 #2

August 19, 1987

TO: File

FROM: James Leatherwood, Reclamation Soils Specialist *JL*

RE: Additional Refuse Storage, United States Fuel Company,  
Hiawatha Mine Complex, ACT/007/011-87A, Folder No. 2,  
Carbon County, Utah

The Division has received additional information, August 14, 1987, pertaining to the above mentioned plan. Exhibit VIII-4A and a copy of the equipment storage yard and topsoil cross-section has been submitted. The submittal is considered adequate for the above stated plan with the following stipulation.

Stipulation UMC 817.23(1)-JSL

The applicant shall submit to the Division within 30 days of the PAP amendment approval a revised update of Exhibit III-3 to include the cross-section D-D as delineated in the August 14, 1987 submittal.
