# FILE COPY

Dear Sue;

United States Fuel Company is providing the enclosed information as required by the Division in their September 15, 1987 letter.

The enclosed revised plan for the Middle Fork Sediment Pond has been certified after construction as per 817.46r and 817.49h. The enclosed certification report, which includes our other sediment ponds, certifies the revised Middle Fork Sedimentation Pond as well. Ten copies of the revised plan are included to update the MRP.

Sincerely,

Jean Semborski  
Environmental Coordinator
