Dear Ms. Semborski:

Re: Conditional Approval of PAP Amendment, Proposed 2 Acre Expansion of Coarse Refuse Storage Area, U. S. Fuel Company, Hiawatha Mine Complex, ACT/007/011-87A, Folder #2, Carbon County, Utah

The Division has completed its review of the above referenced PAP amendment and supplemental information, received June 4, 1987 and August 14, 1987, respectively, from U. S. Fuel Company. The plans are adequate for conditional approval in accordance with the following stipulations:

Stipulation UMC 817.23-(1)-JSL

The Division requires submittal of a revised update of Exhibit III-3 which includes cross-section D-D as delineated in the August 14, 1987 submittal. This plate should be provided within thirty (30) days of receipt of this conditional approval.

Stipulation UMC 817.42-(1)-KW

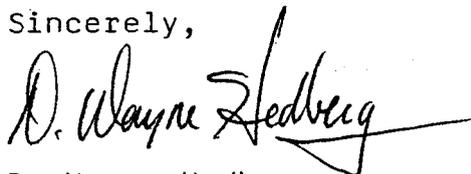

The Division requires submittal of a map showing the proposed refuse pile storage expansion with the existing diversion ditches and sediment pond. This map should be submitted to the Division within thirty (30) days of receipt of this conditional approval.

Please provide the requested information in a format which references the appropriate mine volume and page number(s) and will allow direct insertion into the approved PAP. If possible, please provide eight (8) complete copies of the revised amendment application no later than September 25, 1987. The additional copies will be forwarded to all pertinent state and federal regulatory agencies for their comment and to update their copies of the approved PAP.
