Dear Ms. Semborski

Re: Update of MRP, Hiawatha Complex, ACT/007/011, Folder No. 2,  
Carbon County, Utah

As you are aware, the Division did not receive all permit updates or sufficient copies of updated material that were submitted to OSM during the permitting process. The Division has reviewed the files and has made a list of the materials needed to update the MRP copies the Division maintains. It is requested that the text and maps delineated in the attachment to this letter be submitted by October 1, 1987. If this date cannot be met, please inform the Division.

Your help and cooperation has been greatly appreciated during this process.

Sincerely,

*Susan C. Linner*
