Mr. Paul Schank
U. S. Fuel Company
Hiawatha, Utah 84527

Dear Mr. Schank:

Re: Approval, Amendment for Lease U-51923, Hiawatha Mines Complex,
ACT/007/011-86A, Folder No. 2 and 3, Carbon County, Utah

The Division has finished its review of U. S. Fuel Company's request of February 17, 1987 to mine federal lease U-51923. Under the Utah Program and regulation UMC 788.12 this request is considered to be an amendment to the approved permit. The Division has found it to be approvable as such, with no conditions.

The permanent program permit, issued March 13, 1987 will be modified to show that mining of this lease has been permitted. Please contact me if there are any questions.

Sincerely,

A handwritten signature in cursive script that reads "Susan C. Linner".
