Dear Mr. Braxton;

On December 7, 1987, Mr. Jim Newcomb in Sharon Steel's Miami office received a letter from you which was dated November 16, 1987 and sent to the Denver office referring to copies and format of plans, etc.

The purpose of my response is to let you know that no correspondence should be sent to either the Denver office, which is essentially shutdown since Mr. Bell's departure or to the Miami office. Please send all correspondence for U.S. Fuel to the office here in Hiawatha in order that timely action may be taken.

Sincerely,

Errol M. Gardiner
Vice President & General Manager
