Dear Ms. Semborski:

Re: Permit Organization Guidelines, Hiawatha Mines Complex,  
ACT/007/011, Folder #2, Carbon County, Utah

Enclosed is a copy of the permit application organizational guideline which we discussed in our site meeting of June 19. I hope this will be helpful in the reorganization of the Mining and Reclamation Plan (MRP) for the Hiawatha Complex.

As we also discussed, we will be sending you a technical review checklist, and a regulation cross reference on disk, by separate cover in the near future.

Please contact me if I can provide any further assistance.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Sue'.
